

## HUMIDITY INDICATOR CARD (HIC)

### PRODUCT DESCRIPTION

Advanced Integrated Materials can provide the complete set of packaging materials to ensure ultimate protection from Moisture and Static damage.

Desiccants absorb any moisture within the MBB and the HIC indicates the humidity level when the bag is opened.

### HUMIDITY INDICATOR CARD

The HIC's supplied meet the requirements of EIA581, MIL-I-8835, J-STD-033, MIL-P-116
